At Konig Kids, our mission is to deliver high-quality and safe baby products that exceed expectations. We are dedicated to providing families with innovative solutions that meet the highest standards for safety, comfort, and practicality. Our focus on quality is reflected in our investment in research and development, production design and development, and rigorous quality control procedures. With ISO 9001, BSCI, SCAN, and Disney Fama certifications, we are committed to being a trusted and reliable source for parents seeking the best for their babies. Our goal is to be a leader in the industry, delivering products that parents can trust and babies will love.

At Konig Kids, we understand that retailers and stores specialized in baby products are constantly looking for reliable, high-quality, and innovative suppliers to offer their customers. That's why we believe that working with us is the right choice for your business.

We have a proven track record of producing baby products that are safe, comfortable, and practical, and our extensive investment in research and development, production design and development, and quality control procedures is a testament to our commitment to quality. Our certifications, including ISO 9001, BSCI, SCAN, and Disney Fama, further demonstrate our dedication to providing customers with exceptional products that meet the highest standards.

In addition to our focus on quality, we are also dedicated to providing outstanding customer service and support. Our team is always available to answer any questions you may have and help you find the products that are right for your business.

By choosing to work with Konig Kids, you are partnering with a brand that is committed to delivering the very best for both you and your customers. Contact us today to find out more about the many benefits of working with us.

At Maylon Kids Factory, we leverage our cutting-edge 18,000 square meter facility and state-of-the-art technology, including 12 injection machines and 10 semiautomatic production lines, to drive innovation and elevate baby product design to the next level. With a capacity for 400 dedicated workers, our focus is on delivering the most innovative, safe, and premium quality baby products in the market under our flagship brand, Konig Kids.

As a key component of our group, Maylon Kids Factory boasts international certifications such as ISO 9001, BSCI, Disney Fama, and SCAN, attesting to our unwavering commitment to quality and industry leadership. By leveraging our unparalleled expertise, resources, and passion for excellence, we are revolutionizing the baby products landscape and setting the standard for industry excellence.

At TempoToys, we are the experts in bringing imagination to life for kids aged 3 and up. As a leading provider of OEM and ODM toy solutions, we partner with companies globally to turn innovative ideas into tangible products that delight children and exceed expectations.

Our team of industrial designers, mechanical engineers, 3D designers, embedded systems and electronics engineers, are equipped with the knowledge and expertise to bring any project to fruition. Additionally, our commitment to cutting-edge technology is evident in our investment of 15% of revenue into research and development, ensuring that our toys stay ahead of the curve.

We are proud to partner with industry giants such as Disney, LIDL, Amazon, and many more, delivering unmatched value and exceptional results. At TempoToys, our mission is to inspire creativity and spark joy in children all over the world. Join us on this exciting journey and discover the power of play.
